RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

On April 25, 2005 Application filed an Amendment regarding the above-mentioned patent application. The Amendment contained several amendments to the claims. On May 6, 2005, a Notice of Non-Compliant Amendment ("the Notice") was

mailed indicating that the Amendment was non-compliant under the rules because each claim did not have a proper status identifier. The Notice also indicated that "previously amended" should read as "currently amended." Upon review of the Amendment, Applicant notes that the identifier "previously amended" was used instead of "previously presented." Accordingly, Applicant is resubmitting below the entire Amendments to the claims section of the Amendment wherein the attached amended claims correct this problem. Regarding the Notice's indication that "previously amended" should read as "currently amended," this appears to be in error since no claims previously identified as "previously amended" were amended. If this objection is repeated, please identify the claim that is improperly identified. Since the amended claims presented below are properly identified, the Amendment is properly compliant with the rules.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "J.C. Freeman", is written over a horizontal line.
